Petanque team building

*An original, interactive and constructive activity
for your events.*

At your premises or a venue of your choice, anywhere in France.

THE CONCEPT

Have fun, then build the team

Team building is an important human experience in the life of a company, one that creates bonds and team cohesion. So, are you ready to tap into your team's resources in a group session?

Have fun

I organise fun, interactive team building, with workshops for beginners and improvers, followed by a friendly tournament and a prize-giving!

Build the team

This activity encourages communication, risk-taking and decision-making. You'll be surprised to see how behaviour changes over a group session!

A tailor-made format

Petanque team building with Petanque Academy can be anything from a 2-hour session during a seminar to a full day, at your premises or a venue of your choice, for up to about 30 participants. It runs in three stages, adapted to your schedule, and I provide all the equipment.

- 01

The workshops

Beginners and improvers: everyone learns petanque techniques, or fine-tunes them, at their own level.
- 02

The friendly tournament

The teams put what they've just learnt to the test, in good spirits.
- 03

The prize-giving

We reward the teams and bring the session to a close, together.

DURATION	From a 2-hour session during a seminar to a full day.
PARTICIPANTS	Up to about 30 people.
VENUE	At your premises or a venue of your choice (park, boulodrome, seminar venue), anywhere in France. I'm based in Nantes.
EQUIPMENT	Provided: boules, jacks and workshop equipment.
PRICE	Quote on request, depending on the number of participants, the duration and the venue.

THE BENEFITS

What your teams gain

01 Better productivity

There's nothing like a game of petanque to unwind together, in a friendly and constructive setting.

03 Communication

By playing together and working out game strategies, each participant develops a better understanding of themselves and of others.

02 Teamwork

Whether in doubles or triples, we need each other to perform at our best!

04 Mindset

By offering quality entertainment, you boost the sense of belonging to the group and to the organisation.

WHO RUNS IT

Jean-François, over 40 years of petanque

As an FFPJP-qualified petanque coach and certified mental performance coach, I organise team-building sessions where people play, and also learn to communicate better, to take risks and to make decisions together.

“Petanque at its best: team building with a human touch that supports well-being, management and group performance.”
